

## REMOVING THE PROGRAM MAC OS X VERSION

Here are the steps required to remove the Inductel program from your computer.

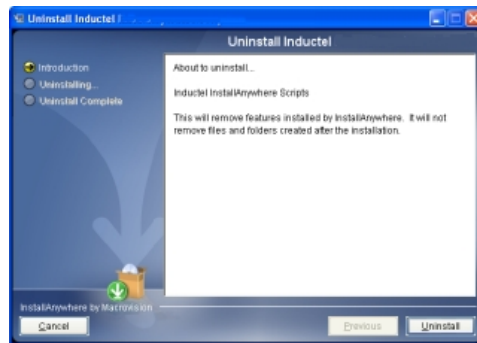

1. Make sure your computer is connected to the internet. As a test, open your web browser, and verify you can link to [www.inductel.com](http://www.inductel.com). If you do not have an internet connection, please contact Inductel for assistance.
2. On your desktop, go to your Macintosh HD. Open the "KAS" folder. It will be located at the end of the following path: Macintosh HD/Applications/. In the KAS folder, open the the "Uninstall\_Inductel" folder.

3. In "Uninstall Inductel" folder, double click the "Uninstall\_Inductel" file to start the uninstall program.

4. In the "Uninstall" window, click on the "Uninstall" button.

5. When the "Uninstall" operation is done, restart your computer.
